

Fees per annum from September 2018 - Boarding School

Boarding at the Nobel International School Algarve began when the school was founded in 1972. In 1975 the Boarding House that was situated in a small farmhouse behind the school, and subsequently moved to the first floor of the main building. This Boarding House ran successfully up to 1989 when market conditions changed and the space was needed for the tremendous growth of the school.

In direct response to current educational and market demands we are very pleased and proud to be once again able to offer boarding facilities for the Nobel International School Algarve. The boarding facilities are available to pupils from Year 8 upwards on a full time, term time, weekly or temporary basis.
