

Information for Parents & Guardians

Our programme aims to provide the children in our care with a range of different experiences during their vacations through multiple activities.

With activities of a sporting, cultural or merely recreational nature, it is our mission to provide a great experience to all those who enjoy our program, promoting adventure and creating unforgettable memories, as well as the development of personal and social skills.

Date and place of summer programme

The summer program will run from July 5 to August 13, from Monday to Friday, from 09:00 am to 4:30 pm at the Nobel International School Algarve, Lagoa.

Intended audience

The activities are aimed at children between the ages of 3 and 6 years.

Activities

The activities are developed by the teachers and teaching assistants.

The teachers will be present throughout the day (morning and afternoon) and are responsible for the follow-up, control and well-being of the participants, providing a family environment, friendship and healthy living.

Meals

Lunch, as well as morning and afternoon snacks are included in the programme.

Clothing & equipment to bring

- Bathing Suit
- Beach towel
- Bath towel
- Scooter or bicycle and helmet, 10 days in advance
- Change of clothes
- Sandals
- Hat or cap
- Comb / Hairbrush

Your child should wear the school uniform (T-shirt and Shorts) for morning periods, and bring with them a backpack with towel, change of clothes (school uniform), and a hairbrush. They should wear sandals (eg. crocs).

Children should arrive in their swimming costume or swimming trunks and with sunscreen already applied at home.

Children should not bring valuables such as rings, mobile phones, electronic games. If such items are brought to school and are damaged or lost, the school accepts no responsibility.

Medical assistance

If your child takes medication, all instructions and information should be communicated to the teacher.

In the case of an accident, the school has First Aid equipment and teachers can give basic treatments.

If the situation requires further care, the guardians will be informed immediately and shall proceed in accordance with the regulations for this type of situation.

School security

All Nobel International School Algarve students are covered by school insurance. The amounts covered by the policy are higher than the minimum values required by law, with the following coverage:

Death or Permanent Disability: 24,940.00 Euros

Expenses for hospital treatment: 5,000.00 Euros

Civil Liability during off-campus activities – 2,500.00 Euros

The School or the Insurer shall not be liable under any circumstances for any amounts over the values described above.
